Newsletter

Another month with frigid temperatures! We have had many of our little ones out due to high fevers and other illnesses. Please make sure you are calling the absences and sending notes upon their return.

Parents we need your support in ensuring that our students have gym shoes on the days they have physical education. It is a safety issue when students are trying to run or jump while wearing snow boots or any other kind of shoes that are not a gym shoes. It must have a flat sole and completely cover the foot. You can check the student/parent handbook online or request a hard copy from the office. You will find the D89 uniform policy which includes the required shoes for Physical Education Class. Please talk to your child about the importance of participating in PE class and the purpose of the class. It is not a recess period and students do receive grades as we connect their PE class to their reading, research, writing, thinking, listening, and speaking skills. Plus, it helps with their social emotional skills as they collaborate with their peers.

Parents, if you drive your child to school please use the Express Service in the morning. We are fortunate to have a few parents who have been extremely helpful and have been there during the bitter temperatures. A huge thank you to them, please let them know how much you appreciate their help.

As always if you have any questions or concerns please do not hesitate to contact me via email Lourdes.perez@Maywood89.org or call 708 450-2065. I normally will return calls/emails at the end of the day once students have left. If it is an emergency, please let the secretary know so that she may find me and I can return your call right away. If you would like to meet with me let me know when would be most convenient for you so that we may schedule a meeting.

Please call in your child's absence and send a note including date and reason for absence. If your child is absent 3 or more days, a doctor's note is required.

708 450-2067

Sincerely,

Lourdes M. Perez
