Our Black History Assembly was a hit! We have such an amazing talent among our kiddos. Thank you all for coming out and supporting such an important event.

Parents please make sure that children are coming to school on time. We are 3 months away from finishing this school year and we are now getting ready for high stakes testing time. PARCC test will be given to third –fifth graders, starting March 11th – 22nd. Our fifth graders will be given the ISA test, starting March 6th-7th. It is

extremely important that children get a good night's rest, eat at home/school, and come prepared to do their very best.

Please talk to your children about their behavior in school and our expectations. We need to remind children about how to talk and treat one another. Being responsible with our actions and respecting everyone at school, particularly adults.
