Spring is here! We have 9 weeks left of school. As we all return from Spring break fully charged, we will strongly be on focusing on instruction and getting ready for CPAA and MAP end of the year testing. It is extremely important that children get a good night's rest, eat at home/school, and come prepared to do their very best. Please encourage your children to use Dreambox, RazKids, and Lexia anytime at home, as this helps them prepare for state exams.

We would like to take the opportunity to invite you and your family to join us in our District 89 events taking place during the month of April. Our middle school musical *The Beauty and the Beast Jr.* will be showing Thursday, April 4 and Friday, April 5. Do not miss our District 89 Family STEAM Night, Tuesday, April 09. This event will be filled with games, prizes, raffles and tons of fun. We appreciate your commitment and your participation. Come out, cheer, and enjoy the Chicago Fire and District 89 soccer tournament on Friday, April 12.

We look forward to the Parent/Teacher conferences which will be student led. Please be sure to coordinate with your student's teacher the time scheduled for your conference.

On Saturday, April 27, we would like your participation to the annual spring cleaning project in Maywood. Come help us clean our community. A separate flyer was sent home providing more details.
